**TITLE: C-23-14 – Approving Increase to Contract with Aqua Smart for Seaquest Phosphates**

**ACTION: Recommend Approval**

**Summary:**

The Albuquerque Bernalillo County Water Utility Authority (Water Authority) currently uses Seaquest Phosphates in its water treatment operations. Seaquest provides corrosion control and scale to aid in the mixing of surface water and groundwater. This also helps prevent any potential leaching of lead and copper.

Resolution R-18-14 requires board approval for any purchase in an amount exceeding \$500,000.

The Water Authority's Financial and Business Services Division is recommending additional funding to be added to these price agreement caps to allow for continued purchase of these services through the end of the contract term. The estimated expenditures under these price agreements are expected to exceed \$500,000; however, actual expenses will be incurred as services are provided.

If approved by the Board, the price agreements will be adjusted to include the increased maximum allowable thresholds. Approval of this items hall also serve as delegations of authority for the Executive Director to approve all future amendments to this price agreement, if any.

**FISCAL IMPACT:**

The Water Authority has budgeted funds to cover expenses pursuant to these price agreements.

**TERMS AND CONDITIONS**

**IMPORTANT: READ CAREFULLY BEFORE PROVIDING GOODS, SERVICES OR CONSTRUCTION. FAILURE TO DO SO WILL NOT RELIEVE VENDOR OF RESPONSIBILITY TO PERFORM OR DELIVER IN ACCORDANCE WITH ALL APPLICABLE PROVISIONS.**

- 1. General:** This purchase order is authorization to provide the goods, services or construction described on its face in accordance with the Terms and Conditions set out below and any attached offer submitted by Vendor and accepted by the Water Authority. These constitute the terms of the contract between the parties. If this purchase order results from a formal solicitation or separate contract, all or part of those documents are also made a part of the contract as specified in those documents referenced in this purchase order and will control over any conflicting provisions in these Terms and Conditions. Unless otherwise provided, this is an indefinite quantity contract; it is not exclusive to Vendor; the Water Authority may make similar purchases from other vendors as needed; and the Water Authority is not obligated to make any amount of purchases under the contract.

Vendor will bear all risk of loss or damage until delivery to the Water Authority. Shipment is F.O.B. Destination unless purchase order states otherwise.
- 3. Delivery and Inspection:** Delivery will be strictly in accordance with the Water Authority's delivery schedule and instructions. Final inspection and acceptance will not be deemed to be a waiver by the Water Authority of its right to (a) cancel, reject or return, at Vendor's risk and expense, all or any portion of the goods, services or construction, or (b) make a claim for damages. Payment prior to inspection does not constitute acceptance.
- 4. Payment Terms/Discounts:** Payment terms are net thirty (30) days unless otherwise specified in the contract. Discounts, if offered, will be computed from the date of actual delivery or receipt of invoice, whichever is later.
- 5. Taxes:** All applicable gross receipts taxes are assumed to be included unless otherwise specified. The Water Authority will furnish, on request, a Non-Taxable Transaction Certificate. Determination of whether the tax is due and payment of the tax is the responsibility of the Vendor. - 6. Commercial Warranty:** Vendor agrees that it will provide the Water Authority with the most favorable commercial warranties which Vendor gives to any customer for the goods, services, or construction and that the rights and remedies provided herein will extend to the Water Authority and are in addition to and do not limit any rights afforded to the Water Authority by law or under this contract. Vendor agrees not to disclaim warranties of fitness for a particular purpose or merchantability. All of Vendor's representations and warranties, both express and implied, constitute conditions of this contract. In the event that the goods, services or construction are found to be defective or fail within the warranty period, Vendor will, at its own expense, promptly remedy the defects.
- 7. New Material:** All items provided under this contract will be NEW and of most current production, unless otherwise specified.
- 8. Indemnification:** Vendor agrees to indemnify and hold harmless the Water Authority, its Board, officers, agents and employees against any and all damages, claims, expenses or other liability, including attorneys' fees, arising out of any (a) alleged or actual infringement or misappropriation of any copyright, patent, trademark, trade secret or other right based upon the goods, services or construction provided by Vendor pursuant to this contract; (b) negligence or willful misconduct of Vendor; (c) Vendor's failure to perform fully its obligations herein in a timely manner; or (d) breach of any of Vendor's representations and warranties herein.

- 10. Right to Audit/Inspection of Plant:** Vendor will maintain complete and accurate records of all financial transactions associated with this contract, including, but not limited to, invoices and other official documentation which sufficiently support all charges under this contract. Vendor will retain such records for six (6) years after final payment, or longer if required by law. Authorized representatives of the Water Authority may inspect and copy records pertaining to this contract at the Vendor's business office during normal business hours. Vendor will include this audit provision in any subcontracts that it may issue under this contract.
