1. General: This purchase order is authorization to provide the goods, services or construction described on its face in accordance with the Terms and Conditions set out below and any attached offer submitted by Vendor and accepted by the Water Authority. These constitute the terms of the contract between the parties. If this purchase order results from a formal solicitation or separate contract, all or part of those documents are also made a part of the contract as specified in those documents referenced in this purchase order and will control over any conflicting provisions in these Terms and Conditions. Payment prior to inspection does not constitute acceptance.

4. Payment Terms/Discounts: Payment terms are net thirty (30) days unless otherwise specified in the contract. Discounts, if offered, will be computed from the date of actual delivery or receipt of invoice, whichever is later.

5. Taxes: All applicable gross receipts taxes are assumed to be included unless otherwise specified. The Water Authority will furnish, on request, a Non-Taxable Transaction Certificate. All of Vendor's representations and warranties, both express and implied, constitute conditions of this contract. In the event that the goods, services or construction are found to be defective or fail within the warranty period, Vendor will, at its own expense, promptly remedy the defects.
