TITLE: R-18-26 - Amending Funds for the Capital Implementation Program of

the Albuquerque Bernalillo County Water Utility Authority for the

Fiscal Year 2019

ACTION: Recommend Approval

SUMMARY:

This legislation appropriates additional funding for the FY19 Capital Implementation Program (CIP). This appropriation allows for carryover of all unobligated funds remaining at the end of the 2018 fiscal year and miscellaneous adjustments to the fiscal year 2019 budget for current contractual commitments.

FISCAL IMPACT:

The FY19 capital program appropriation totals \$88.3 million, which has been previously approved through Resolution R-18-12. Capital funds categories that have an excess/deficit budget amount carry their cumulative balance from one year to the next. This means the Water Authority starts the fiscal year with more money in a category if underspent in previous years, or with less money in a category if overspent.

The Water Authority Financial Services Division (FSD) shall record carryover of all unobligated funds remaining at the end of a budget year to the next budget year to cover allowable costs in that budget period. Restricted funds, grants, bond and loan proceeds, and cash transfers that are recorded in Capital funds are the only cumulative balances allowed.

The FY18 carryover amount totals \$28,689,179, which is detailed below in the various decade line categories along with miscellaneous adjustments for current contractual commitments:
