Authorizing an Agreement with Shoats & Weak, Inc. for Legislative Representation at State of New Mexico Legislature

Approval authorizes the Executive Director to enter into an agreement with Shoats & Weak for a one year period for \$40,000. The contract would be for representation with the State Legislature.

Based upon the Water Authority needs and requests at the state level to support outstanding funding required for water, water reuse and wastewater projects as a political subdivision of the State of New Mexico as delineated under NMSA 1978, Section 72-1-10 it is prudent to have direct representation for the Water Authority.

The agreement would be through June 2018. This contract will not exceed a three year term.

FISCAL IMPACT:

The funding to support this contract is in the FY18 Water Authority budget.
