Approval of Contract with Elite Energy Services for Reciprocating Engine Major Overhauls and Repairs

The Albuquerque Bernalillo County Water Utility Authority (Water Authority) issued the Request for Proposals (RFP) to solicit responses from qualified vendors for Reciprocating Engine Major Overhauls and Repairs, P2019000006.

Approval is requested to enter into an agreement with Elite Energy Services to provide Major Engine Overhauls and Repairs through the issuance of a purchase order.

If approved by the Board, a purchase order will be issued by the Water Authority to enable Elite Energy Services to complete engine overhauls and repairs at the Southside Water Reclamation Plant and for other engines that power wells and booster pumps in the Water Authority's water system.

By entering into this agreement, the Water Authority can procure the services of Elite Energy Services to perform all major engine overhauls and repairs which are beyond the capabilities of Water Authority personnel.

FISCAL IMPACT:

The funding for FY19 will come from existing appropriations and future expenditures are subject to future appropriations and will be awarded on an as needed. The term of the agreements will be for two years, and may be extended for an additional year.
